GALERIA BOGOTÀ

Galaxy Star

The classic Galaxy Star is a popular premium granite with a deep black background dotted with copper and bronze coloured crystals.

GALERIA BOGOTÀ

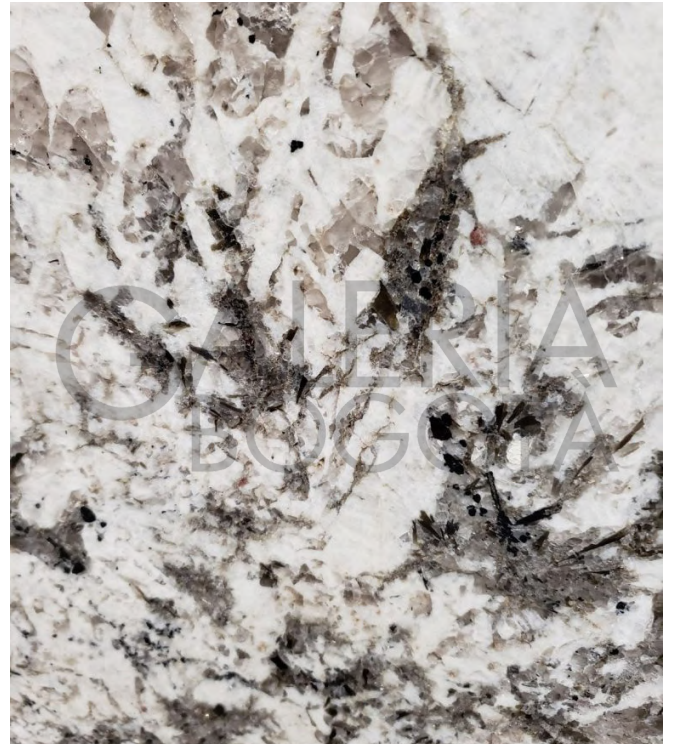

Polished surfaces combined with copper coloured flecks make worktops made of Galaxy Star granite an eye-catching delight that fits perfectly with modern silver and gold coloured appliances.

GALERIA BOGOTÀ

Alpine White

This stunning pattern is ideal for unforgettable granite countertops, backsplashes, walls, and floors in homes and businesses. Durable and versatile, this granite can also be used for outdoor applications.

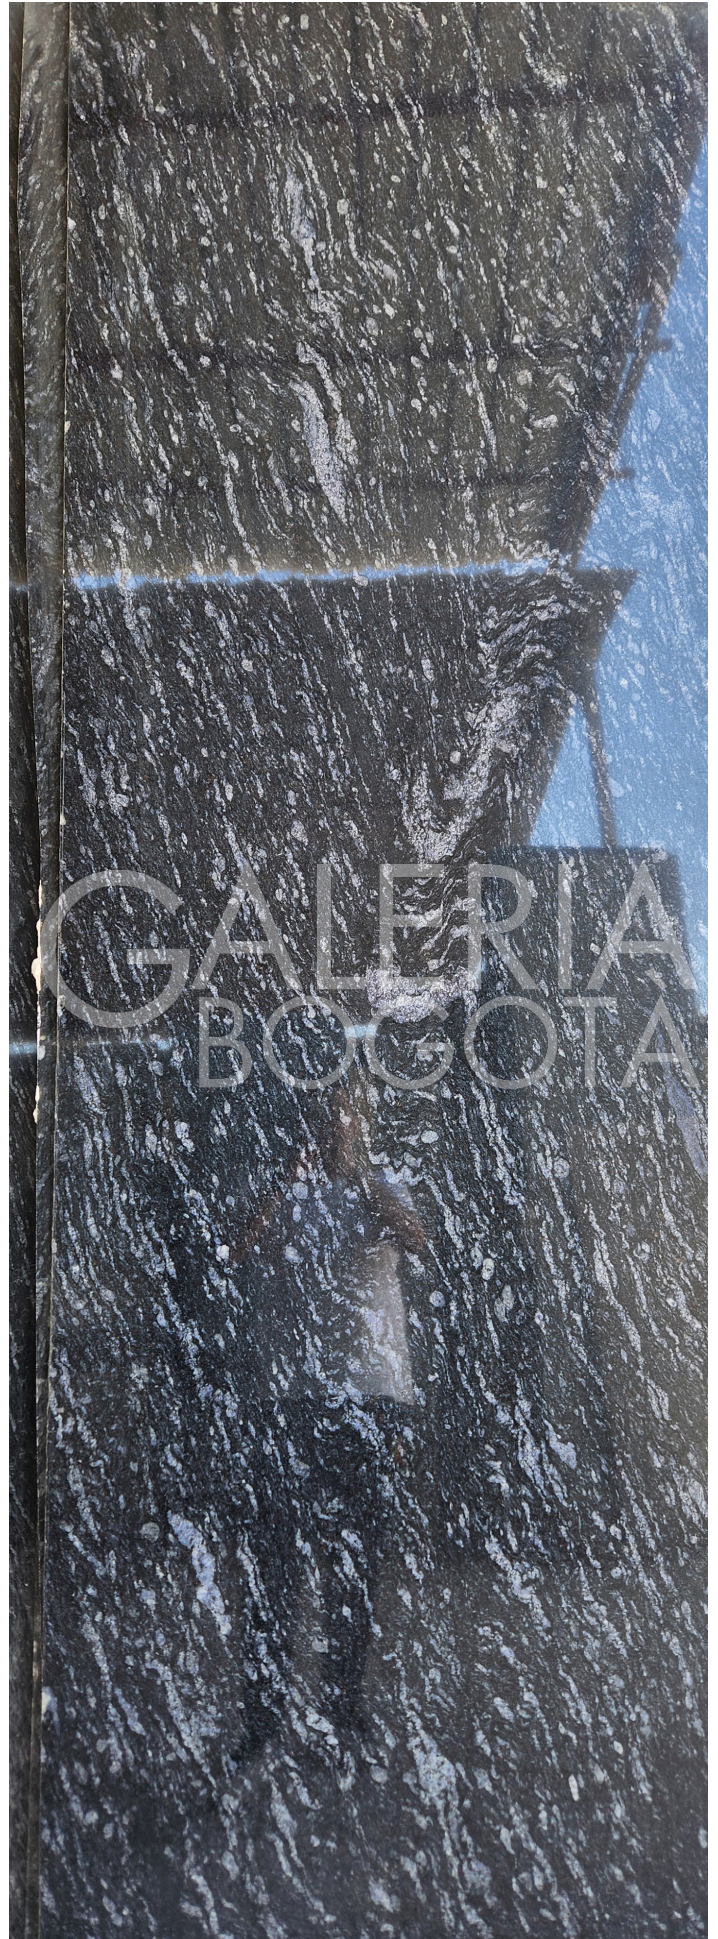

GALERIA BOGOTÀ

Blue Pearl

The Norwegian Blue Pearl granite can be used to make truly beautiful work-tops with a bluish grey overall impression accented with a black pattern. The density of dark patches can make the stone look either darker or lighter in shade.

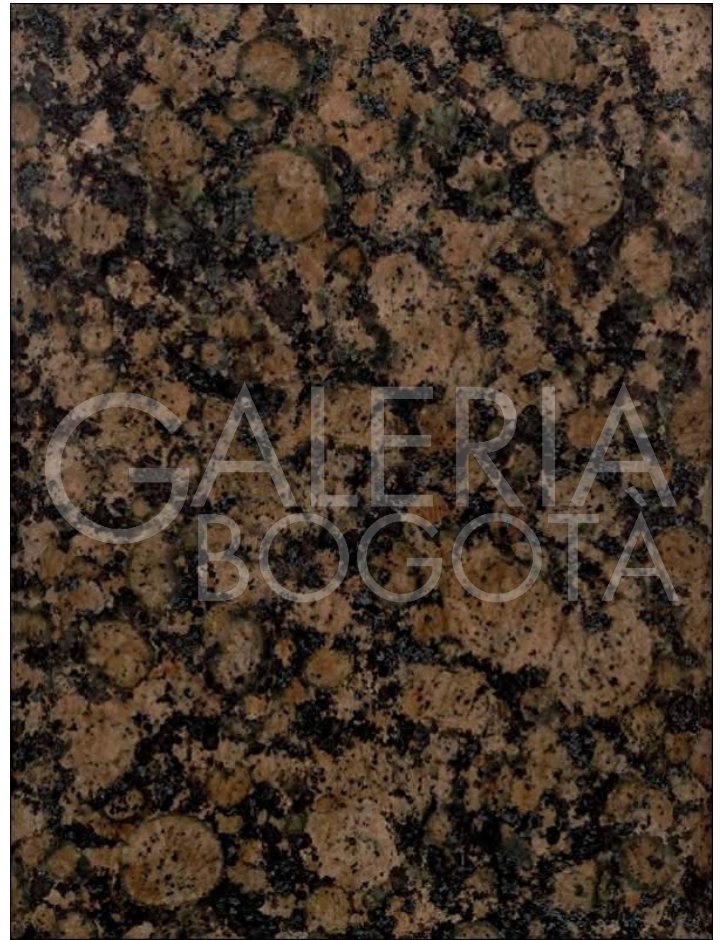

GALERIA BOGOTÀ

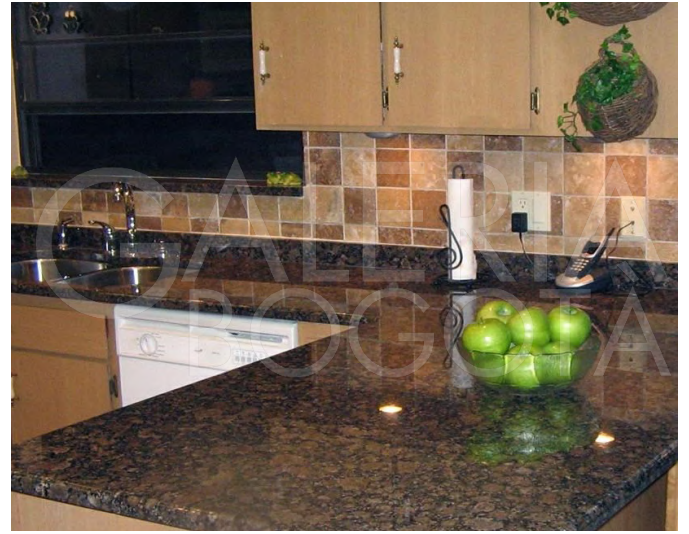

GALERIA BOGOTÀ

Baltic Brown

The Baltic Brown granite is perfect for creating stunning worktops with a rich brown hue complemented by a mix of black and tan spots. The variation in the pattern density can give the stone a lighter or darker appearance depending on the concentration of these patches.
